Director Mental Health Program
School of Health Professions
Community College of Baltimore County

Dear Ms. Landry,

During the June 2017 CSHSE Board meeting, Dr. Elaine Green reported on your college's decision to discontinue the Mental Health program and presented your request to extend the program's accreditation status until June 2018 so that the remaining students in the program can graduate from an accredited program. The Council approved your extension request.

However, your College must still maintain CSHSE membership for the 2017-2018 membership year for this extension to be in effect.

If the Council can be of further service, please contact us and refer to updates on the CSHSE webpage, www.cshse.org.

Sincerely,

Winona Schappell
