Dear Mr. Sida,

I received your letter and reviewed your request for an extension of your upcoming Interim Report and Review in October 2018. Your request is approved. Based upon CSHSE program extension policy, extensions are awarded for a one-year period (Membership Handbook: Accreditation and Self-Study Guide, 2018, pp. 8-9). Your program accreditation cycle will remain from October 2018-June 2023 because the year extension will be included within this period of time. The program will maintain its accreditation status during this extension.

The Board also meets in February 2019 and June 2019 during this extension period. Your program may also opt to submit your Interim Report, if ready, for either the February or the June meeting. Ultimately, the Interim Report must be submitted no later than the deadline for the October 2019 Board review. Please refer to page 15-17 in the 2018 Membership Handbook for the schedules to submit the Interim Report and request readers for CSHSE Board review.

Once you submit your application and fees, I will designate a specific Board Member-at-Large to serve as a consultant during the Interim Report writing process. If you have any general questions regarding the self-study process during this extension, please contact one of the Board Members-at-Large, who can serve as a general resource person, or me. Contact information, handbook, templates, forms, and instructional resources are found on the website, <https://cshse.org>.

Sincerely,

Winona Schappell, M.Ed., HS-BCP
CSHSE Vice President of Accreditation
