Dear Mr. Kashden,

I received your email on February 12, 2018 with a letter attachment in which you requested extension for the upcoming reaccreditation in June 2018. Based upon previous email communications in early July 2017 and my direction for your program to wait until March 2018 to see how far you could progress on the self-study by March 2018, your request is approved and your program has one year, up to June 2019 to submit your self-study. Your program reaccreditation cycle will remain from June 2018-June 2023 because the year extension will be included within this reaccreditation cycle.

The Board meets in October 2018 and February 2019 during your year extension. Your program can also opt to submit your self-study, if ready, for the October or the February meeting.

If you have any questions regarding the self-study process during this extension, please contact one of the Board Members-at-Large, who will serve as your resource person, or me. Contact information is found on the website, <http://www.cshse.org/board.html>

Sincerely,

Winona Schappell, M.Ed., HS-BCP
