Dear Ms. King:

The Council for Standards in Human Service Education Board (CSHSE) met on February 26, 2015 to review your response to the "conditional" accreditation status of the Human Services Program at Delaware Technical Community College Owens Campus. It is my privilege to inform you that we have removed the conditional status, and the program is now fully accredited until October, 2019. At that time, an interim review will be conducted, which includes the submission of a self-study, but no site visit.

Thank you for your thorough and timely response to our concerns. Please include this letter, as well as the previous letter with your next self-study.

It is noted that you have worked to be in compliance with Standard 2f as well. We will review that during the interim review.

We look forward to working with you and your exemplary program!

Sincerely,

Jacquelyn Kaufmann
Vice President of Accreditation
