Dr. Thomas McElfresh, Program Chair
Human Services and Behavioral Health
Sinclair Community College
4444 We. Third Street
Dayton, Ohio 45402

Dear Dr: McElfresh:

The Council for Standards in Human Service Education Board of Directors met on February 26, 2015 to review the "conditional" status of the Mental Health Technology Program at Sinclair Community College.

It is my privilege to inform you that your program has now been fully accredited with no conditions. The letter submitted by Dr. David Collins thoroughly addressed our concerns with Standard 1, Specification b. The timeline submitted for proposed changes is indicative of your commitment to maintaining the CSHSE accreditation.

Your next reaccreditation will be October, 2019. A self-study, but no site visit, will be required at that time. Please include this letter, as well as the previous letter and the letter from Dr. Collins with your self-study. The "requirements for next accreditation" as well as "other recommendations" will need to be remediated by then.

You will be receiving a letter and a formal "Certificate of Accreditation" signed by our President, Dr. Elaine Green, in the near future.

We're pleased to include yours as one of our exemplary accredited programs!

Sincerely,

Jacquelyn Kaufmann
Vice President of Accreditation
