Dear Dr. Barron

I received your extension request and confirmed receipt of the accreditation application fee with ASCENT. After reviewing your request based upon the significant administration and faculty changes occurring at Wayne State University, your request is approved. Your Interim Report and Review process will be extended until October 2021 according to the CSHSE program extension policy. (Membership Handbook: Accreditation and Self-Study Guide, July 2019, p.10). Your program accreditation cycle will remain from October 2020-October 2025 because the year extension will be included within this period of time. The program will maintain its current accreditation status during this extension.

The Board meets in February 2021 and June 2021 during this extension period. Your program may also opt to submit your self-study, if ready, for either the February 2021 or June 2021 meeting. Ultimately, the self-study must be submitted no later than the deadline for a October 2021 Board review. Please refer to pages 19-20 in the July 2019 Membership Handbook for the time line to submit the self-study and request readers for CSHSE Board review.

CSHSE assigns a Board Member-at-Large, who will serve as your consultant when writing the self-study. If you have any questions about the Self-study, please contact Dr. Steve King at: sking82@kennesaw.edu. He can respond to any questions regarding clarifications of the Standards and specifications, how to write responses to the standards, and how to complete the Matrix.

I also encourage you to use the membership resources available on the CSHSE web site: <https://cshse.org>

If you have any questions regarding the general accreditation process, please contact me.

Sincerely,

Winona Schappell, M.Ed., HS-BCP
CSHSE Vice President of Accreditation
