Dear Ms. Hutt,

The application and fees for the program's Interim Report and Review were received on time in October 2022. Based upon present needs, the program's request for an extension until the October 2023 Board meeting is approved. The Human Services' program reaccreditation cycle for the associate degree will remain from June 2023-June 2028 because the approved six-month extension will be included within this reaccreditation cycle.

The self-study must be submitted and reviewed by October 2023. Your program's accreditation will remain in good standing during this extension period. This letter will be posted on the CSHSE website until the CSHSE Board review and decision process is completed.

The October 2023 Board review timeline will change the timing to request Readers and submit the Interim Report. I recommend that you carefully read the guidelines and timelines for the Interim Report and Review in the CSHSE Member Handbook: <https://cshse.org/wp-content/uploads/2022/07/CSHSE-Member-Handbook-July-2022.pdf>

If you have any questions regarding the self-study process during this extension, please contact, Mr. Tommy Lopez, who will continue to serve as your Board consultant. He will provide guidance and support during the writing stages of the self-study. You can reach him at [professorlopez65@gmail.com](mailto:professorlopez65@gmail.com). If you have general questions regarding the accreditation process before June 2023, please feel free to contact me by email or phone. After June 2023, please contact Dr. Julia Bernard, who will be taking the role of Vice President of Accreditation. Her email address is [bernardfamilysolutions@gmail.com](mailto:bernardfamilysolutions@gmail.com).

Sincerely,

Winona Schappell, M.Ed.
