Dear CSHSE Members,

CSHSE is currently seeking renewal of the CHEA recognition for accrediting organizations and is required to notify programs and institutions either by website or other means. According to CHEA recognition policies and procedures, "The CHEA recognition review includes an opportunity for parties independent of the accrediting organization under review to comment on whether the organization meets the CHEA recognition standards. Third Party comment may be either oral (at the meeting after first being received in writing within the identified time frame) or written and is limited to the accrediting organization's efforts to meet the CHEA recognition standards. This may include commentary from many different sources, such as other accrediting organizations, institutions and programs, or professional or higher education associations. The comments will assist the CHEA Committee on Recognition as it considers the application for recognition." (SCHEDULE FOR RECOGNITION REVIEW OF ACCREDITING ORGANIZATIONS and CALL FOR THIRD-PARTY COMMENT , CHEA. August 9, 2023). For detailed information regarding the CHEA Call for Third Party Comments, see [here](#). CSHSE is up for oral reviews on November 13, 2023.

If your program or institution wishes to make a comment regarding CSHSE accreditation processes, please submit your comments before September 29, 2023, via mail, fax, or email to:
